					Other	❑	❑	____	_____

V. PARENTAL OR ADULT PARTICIPANT STATEMENT

Has it ever been necessary to restrict applicant's activities for medical reasons? Yes ❑ No ❑

If yes, EXPLAIN _____

Does applicant take medicine (prescription or over the counter) on a regular basis? Yes ❑ No ❑

If yes, please list in detail:

Drug	Dosage	Route (Example: oral, injection, etc.)	Frequency

List any physical or behavioral conditions that may affect or limit full participation in swimming, backpacking, riding long distances, or playing strenuous, physical games.

To the best of my knowledge, the information in sections I, II, III, IV, and V is accurate and complete. I request licensed health-care practitioner to examine applicant, to give needed immunization, and to furnish requested information to other agencies as needed. I give my permission for full participation in the jamboree, subject to limitations noted herein. In the event of illness or accident in the course of such activity, I request that measures be initiated without delay as judgment of medical personnel dictates. I understand if I have a disqualifying mental or physical condition it eliminates my participation and I may not be able to attend the jamboree.

Parent or guardian must sign if applicant is under 18:

Parent or guardian _____ Date signed _____

Applicant's signature _____ Date signed _____

IMMEDIATELY BEFORE THE JAMBOREE, PLEASE UPDATE THIS SECTION WITH ANY NEW INFORMATION.

During the 30 days preceding the jamboree, has applicant taken any medication (prescription or non-prescription) that is NOT listed above?

Yes ❑ No ❑ If yes, list in detail: drug, dose, and date taken _____

_____

_____

_____

VI. HEALTH EXAMINATION

Licensed health-care practitioner:

The applicant will be participating in a strenuous activity that will include one or more of the following conditions: high heat and humidity, high air particle count, more walking than normal, fatigue, and physical competition. Please be advised that electrical outlets for conditions such as sleep apnea, air conditioning, and any special diets will not be available at the site. Exposure to bee stings, ticks, and poisonous plants is very likely.

Please insist applicant furnish complete medical history (section IV of this form) before examination.

Review immunizations. For youth (under 18) **required** immunizations: tetanus and diphtheria toxoids, measles, mumps and rubella, chicken pox, and polio. For youth (under 18) **recommended** immunizations: a measles booster at age 12 and hepatitis A and B. For youth and adults, a tetanus booster within 10 years is required.

*Examinations conducted by licensed health-care practitioners other than physicians will be recognized for BSA purposes in those states where such practitioners can perform physical examinations in their legally prescribed scope of practice.

MEDICAL ALERT: It is essential that the jamboree medical personnel be aware of participants who have certain physical conditions that may require special consideration. Before February 15, 2008, any person with the following health conditions must submit a request for a medical alert: cardiac history, high blood pressure, sleep apnea, diabetes mellitus (with insulin or oral medication), obesity, asthma, sickle-cell anemia, hemophilia, severe blood dyscrasia, HIV infection, epileptic seizures, physical disability, or psychiatric illness. Using the form on the next page, signed by a licensed health-care practitioner, mail before February 15, 2008, to

South Florida Council
Jamboree Medical Officer
15255 NW 82nd Avenue
Miami Lakes, FL 33016

If a Medical Alert Is Required, Please Complete the Following:

1. Fill in all blanks.
2. State the patient's health condition—the reason for a medical alert request (outlined in section VII).
3. Note prescribed medication for condition(s). (See section IV.)
4. Make a brief statement on patient's behalf for participation.
5. Sign the form and date it.
6. Photocopy and mail the **photocopy** to:

   Jamboree Medical Officer
   South Florida Council, BSA
   15255 NW 82nd Avenue
   Miami Lakes, Florida 33016

   BEFORE February 15, 2008, for final approval.

ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Limited transportation is available for show events for severely handicapped wheelchair-confined Scouts. In general, everyone must be able to walk long distances or not participate in the show events. You must be in good physical condition to safely participate in the jamboree.

1. Patient's name (please print) _____
2. Comments about patient's condition (reason for medical alert request) _____
